Cheri – Please let me know if you did not receive the e-mailed submission that I sent you today. It had quite a few attachments on the e-mail, so I wasn't sure if your system might block it due to file size or send it into your junk mail??

Hi Doug-

If you could send the documents to me directly via email and I will upload to the system. The system is quirky, and at this point this would be the best option.

Please let me know if you have any further questions.

Cheri,
Greetings. My company is the distributor for [REDACTED] that will be submitting an offering on your Bid #5781 (SP16-AMMO-X85) that is due 11/30/16 at 12PM EST.

I have registered on COMMBUYS (Vendor #00023564), however the referenced bid does not show up under "OPEN BIDS". I can search for the bid and find it within your website, but it does not provide me with the ability to submit or create a quote – it only has the ability to hit "Bid Tab" or "Exit" (which infers to me that the bid is already over).

Before I invest time into completing all of the required documents, will you please let me know whether I will be able to submit this bid through the website and - if so – how I do so?

Thanks for your prompt attention to this. I can be reached easiest by cell phone at 614-327-7350.

Cheri,
I hope you get to feeling better! Attached are the documents relating to Bid #5781. I will mail you the documents that required "wet signatures". Please let me know if there is anything I have omitted.

You will see on the Cost Table that I referenced the MSRP price list and denoted the State's discount percentage. I included the price list as a separate document and it includes both the MSRP pricing as well as the State's pricing with the discount figured in (to make is easier on the end-users).

Date: Friday, March 24, 2017 1:03:46 PM

Cheri,

I received this notice of a Change Order to PO # PO-16-1084-POLGH-GHQ-9579 last week on 3/15/17. I went to the link and I can't determine exactly what the change to the order is? The only note to the vendor reads as follows:

"Header 1. Contact Instructions changed from "" to "Cheri Lee: cheri.lee@massmail.state.ma.us". 2. RPA Release Allowed changed from "" to "N". Attachment File Changes: Header 1. File 'Create a Quote in COMMBUYS Jobaide.doc': File 'Create a Quote in COMMBUYS Jobaide.doc' deleted. 2. File 'Standard Contract Form': File 'Standard Contract Form' deleted. 3. File 'Commonwealth Terms and Conditions': File 'Commonwealth Terms and Conditions' deleted. 4. File 'W9': File 'W9' deleted. 5. File 'Contractor Authorized Signatory Listing': File 'Contractor Authorized Signatory Listing' deleted. 6. File 'Electronic Funds Transfer Form': File 'Electronic Funds Transfer Form' deleted. 7. File 'Prompt Payment Discount Form': File 'Prompt Payment Discount Form' deleted. 8. File 'Business Reference Form': File 'Business Reference Form' deleted. Enrollment Date Changes:"

Is there a change that I need to be aware of or was this just some administrative changes made on your end??

Please advise so I am clear. I know that Flavin and Suyemoto have been communicating with me about availability of some items and their need to have products by June 30th, so I want to make sure I am aware if something is being canceled off of one of their orders.

Hi Doug-

Did you hear back from Trooper Bott? We had advised that they should be completing the form as State Police Fiscal does not handle their purchasing. Let me know if you have been contacted by

him- if not I can reach out to him again.

Dianne / Cheri,

See the purchase order we received from Trooper Bott attached and his e-mail below. Dianne's e-mail indicates that we may need to wait for a PO through the Fiscal Office (not directly from sworn staff). Can one of you see if what we've been sent is OK to process or do we need to wait for a more formal PO through CommBuys? Please advise as soon as possible. Cheri,

I received this notice of a Change Order to PO # PO-16-1084-POLGH-GHQ-9579 last week on 3/15/17. I went to the link and I can't determine exactly what the change to the order is? The only note to the vendor reads as follows:

"Header 1. Contact Instructions changed from "" to "Cheri Lee: cheri.lee@massmail.state.ma.us". 2. RPA Release Allowed changed from "" to "N". Attachment File Changes: Header 1. File 'Create a Quote in COMMBUYS Jobaide.doc': File 'Create a Quote in COMMBUYS Jobaide.doc' deleted. 2. File 'Standard Contract Form': File 'Standard Contract Form' deleted. 3. File 'Prompt Payment Discount Form': File 'Prompt Payment Discount Form' deleted. 8. File 'Business Reference Form': File 'Business Reference Form' deleted. Enrollment Date Changes:"

Is there a change that I need to be aware of or was this just some administrative changes made on your end??

Please advise so I am clear. I know that Flavin and Suyemoto have been communicating with me about availability of some items and their need to have products by June 30th, so I want to make sure I am aware if something is being canceled off of one of their orders.

Cheri,

Greetings. My company is the distributor for [REDACTED] that will be submitting an offering on your Bid #5781 (SP16-AMMO-X85) that is due 11/30/16 at 12PM EST.

I have registered on COMMBUYS (Vendor #00023564), however the referenced bid does not show up under "OPEN BIDS". I can search for the bid and find it within your website, but it does not provide me with the ability to submit or create a quote – it only has the ability to hit "Bid Tab" or "Exit" (which infers to me that the bid is already over).

Before I invest time into completing all of the required documents, will you please let me know whether I will be able to submit this bid through the website and - if so – how I do so?

Thanks for your prompt attention to this. I can be reached easiest by cell phone at [REDACTED]

Good Afternoon Doug-

I received the original "wet signatures" – thank you. There are just a few things that I will need before I can make an award. These can be emailed to me:

- Copy of Authorized Distributor Certificate from [REDACTED]
- Copy of Federal/ State Licenses
- Copy of Certificate of Liability Insurance
- Please address Order Cancellations; Shipping/Delivery Timeframes; Product Returns

Additionally, the Supplier Diversity Program Plan is mandatory for contracts that meet/exceed the threshold of \$150k over the life of the contract. We can hold off on this for now, but MUST address once you approach that amount. It is a commitment to a Massachusetts certified small business, minority, women, or disabled vet owned business. It can be ancillary such as buying your own office

supplies,
or copier toners, etc. I have provided a link to help assist. Please let me know if you need any
assistance. <https://www.sdo.osd.state.ma.us/BusinessDirectory/BusinessDirectory.aspx>

I hope you get to feeling better! Attached are the documents relating to Bid #5781. I will mail you
the documents that required “wet signatures”. Please let me know if there is anything I have
omitted.

You will see on the Cost Table that I referenced the MSRP price list and denoted the State’s discount
percentage. I included the price list as a separate document and it includes both the MSRP pricing as
well as the State’s pricing with the discount figured in (to make is easier on the end-users).

Subject: Question on Bid #5781 - TIME SENSITIVE

Cheri,
Greetings. My company is the distributor for [REDACTED] that will be submitting an offering on your Bid #5781 (SP16-AMMO-X85) that is due 11/30/16 at 12PM EST.

I have registered on COMMBUYS (Vendor #00023564), however the referenced bid does not show up under "OPEN BIDS". I can search for the bid and find it within your website, but it does not provide me with the ability to submit or create a quote – it only has the ability to hit "Bid Tab" or "Exit" (which infers to me that the bid is already over).

Before I invest time into completing all of the required documents, will you please let me know whether I will be able to submit this bid through the website and - if so – how I do so?

Thanks for your prompt attention to this. I can be reached easiest by cell phone at [REDACTED].

Good Afternoon Doug-

I received the original "wet signatures" – thank you. There are just a few things that I will need before I can make an award. These can be emailed to me:

Copy of Authorized Distributor Certificate from Winchester
Copy of Federal/ State Licenses

Copy of Certificate of Liability Insurance

Please address Order Cancellations; Shipping/Delivery Timeframes; Product Returns

Additionally, the Supplier Diversity Program Plan is mandatory for contracts that meet/exceed the threshold of \$150k over the life of the contract. We can hold off on this for now, but MUST address once you approach that amount. It is a commitment to a Massachusetts certified small business, minority, women, or disabled vet owned business. It can be ancillary such as buying your own office supplies, or copier toners, etc. I have provided a link to help assist. Please let me know if you need any

I hope you get to feeling better! Attached are the documents relating to Bid #5781. I will mail you the documents that required “wet signatures”. Please let me know if there is anything I have omitted.

You will see on the Cost Table that I referenced the MSRP price list and denoted the State’s discount percentage. I included the price list as a separate document and it includes both the MSRP pricing as well as the State’s pricing with the discount figured in (to make is easier on the end-users).

Cheri,
I have [REDACTED] working on the Authorized Distributor letter.

As for the copy of Federal / State Licenses, what is it that you are looking for? We do have Federal Firearms Licenses (FFL's), but those do not apply to the sale of ammunition so I didn't send them since all we bid on was the ammo.

Similar to the EFT request in the other e-mail, I had included the Certificate of Liability Insurance in my email to you on 11/30. I'm going to resend that e-mail to you to make sure you were able to retrieve all the documents (there were a total of 16). Coming momentarily.

I will put something together for the cancellations/delivery/returns for you and send that to you.

Sgt. Suyemoto,

██████████ does not have a ██████████ round in the line-up right now, so it looks like the best option to meet your needs will be to roll the funding you had allocated on your initial PO for the ██████████ over to purchase as much of the ██████████ as you can with those funds.

That line item had \$7,898.00 on it. The X ██████████ is \$133.98/case which would allow you to purchase ██████████ with \$127.16 left over. It is only \$6.82 short of a ██████████ in case you have the ability to increase the PO by that amount to accommodate that last case.

If you want to proceed with this plan, I'll either need an amended PO **or** a letterhead addressed to Vance's that references your PO #PO-16-1084-POLGH-GHQ-9579:4 and indicates that you would like to substitute ██████████ @ \$133.98/cs for the ██████████ @ \$157.96/cs.

If you have any questions at all, please advise.

Diane,

Here are the answers to the ability to ship products by June 30th for the two PO's you just sent over (per [REDACTED]):

PO #9579:3

[REDACTED] – This product will be able to be delivered to you before the June 30th deadline.

PO #9579:4

[REDACTED] – this product is scheduled to load to a surplus in mid-May so it appears that it will ship before the June 30 deadline.

[REDACTED] - this product is not scheduled to load until early July so we will NOT be able to meet your deadline on that product. Per our conversation, I will not process this line item as you intend to create a Change Order to cancel it off of the PO and re-order it in July.

Subject: Question on Bid #5781 - TIME SENSITIVE

Cheri,

Greetings. My company is the distributor for [REDACTED] that will be submitting an offering on your Bid #5781 (SP16-AMMO-X85) that is due 11/30/16 at 12PM EST.

I have registered on COMMBUYS (Vendor #00023564), however the referenced bid does not show up under "OPEN BIDS". I can search for the bid and find it within your website, but it does not provide me with the ability to submit or create a quote – it only has the ability to hit "Bid Tab" or "Exit" (which infers to me that the bid is already over).

Before I invest time into completing all of the required documents, will you please let me know whether I will be able to submit this bid through the website and - if so – how I do so?

Thanks for your prompt attention to this. I can be reached easiest by cell phone at [REDACTED]
